 LUCI[®]
PROGETTI

Crafting Light, Creating Emotion

At LUCI, we transform light into emotion through masterful design and timeless craftsmanship.

Our creations are more than lighting fixtures - they are distinctive design statements, meticulously handcrafted for discerning professionals who seek uniqueness, elegance, and personalization.

Rooted in Italian artisanal heritage, each LUCI lamp is a curated blend of vintage inspiration and contemporary aesthetic, designed to elevate prestigious interiors - from boutique hotels and luxury residences to refined workspaces. We believe in uncompromising quality. We don't follow trends - we create icons. Our lamps are built to last, to inspire, and to tell a story of passion, authenticity, and excellence.

To choose LUCI is to choose emotional design: a piece that speaks, shines, and defines the atmosphere around it.

LUCI Vintage Floor Lamps - Where Timeless Design Meets Artistry.

More than lighting – LUCI's vintage floor lamps are statements of elegance, craftsmanship, and individuality. Designed for discerning professionals in interior design, hospitality, and luxury living, each lamp evokes the charm of the '60s and '70s while meeting the expectations of today's sophisticated clientele.

Handcrafted in Italy using premium materials and traditional techniques, these pieces celebrate iconic forms with a refined and customizable touch. Whether you're curating an exclusive hotel atmosphere or enhancing a private residence, LUCI offers versatile solutions that combine function with collectible-level aesthetics.

Elevate your spaces with the timeless character of LUCI's vintage collection – where every lamp tells a story of style and substance.

bubble

10.0001

MODERN ELEGANCE IN EVERY DETAIL

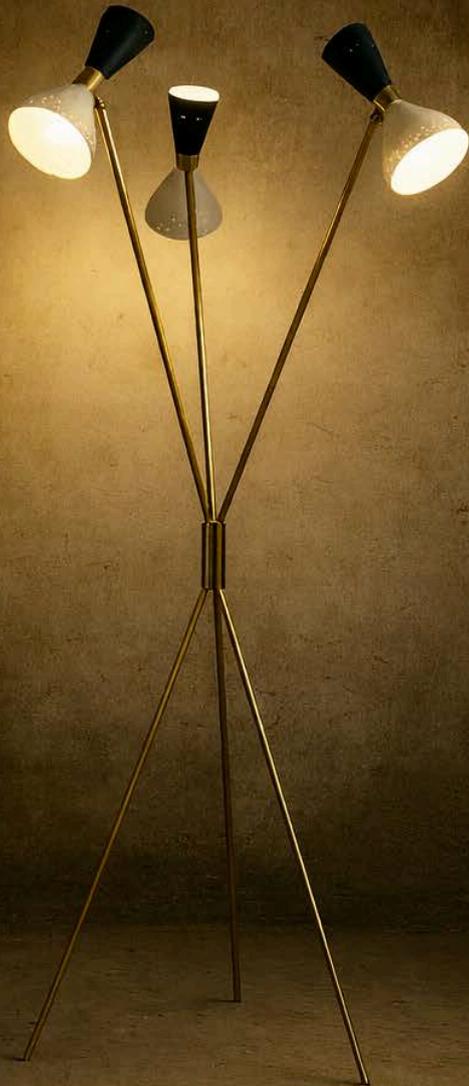

Sculptural elegance meets refined craftsmanship: the BUBBLE floor lamp is designed for interiors where every detail speaks of style and sophistication.

Crafted from solid brass and grounded by a luxurious marble base, this piece radiates durability and prestige. Five opaline glass spheres are arranged in perfect harmony, diffusing a soft, ambient light that elevates the atmosphere of any space - from curated hospitality settings to elegant private interiors.

Ideal for those who seek statement lighting that seamlessly blends artistic beauty with timeless design.

**Customizable.
Sophisticated.
Unforgettable.**

charleston

10.0003

Step into a world where vintage charm meets modern elegance. The CHARLESTON floor lamp is more than a lighting element - it's a statement piece. Clean lines and a refined retro finish evoke the unmistakable style of the 1960s, while the three rotating dual light diffusers bring vibrant life to any setting.

Available in bold color combinations - orange, blue, and red - or in sleek monochrome and two-tone variants in ivory or black, this lamp adapts effortlessly to curated interiors. Whether you're designing an exclusive boutique hotel, a luxurious office space, or a refined private residence, CHARLESTON offers a unique play of light and personality.

FLOOR LAMPS

RETRO ELEGANCE THAT LIGHTS UP THE PRESENT.

Iconic. Adjustable. Distinctively elegant.

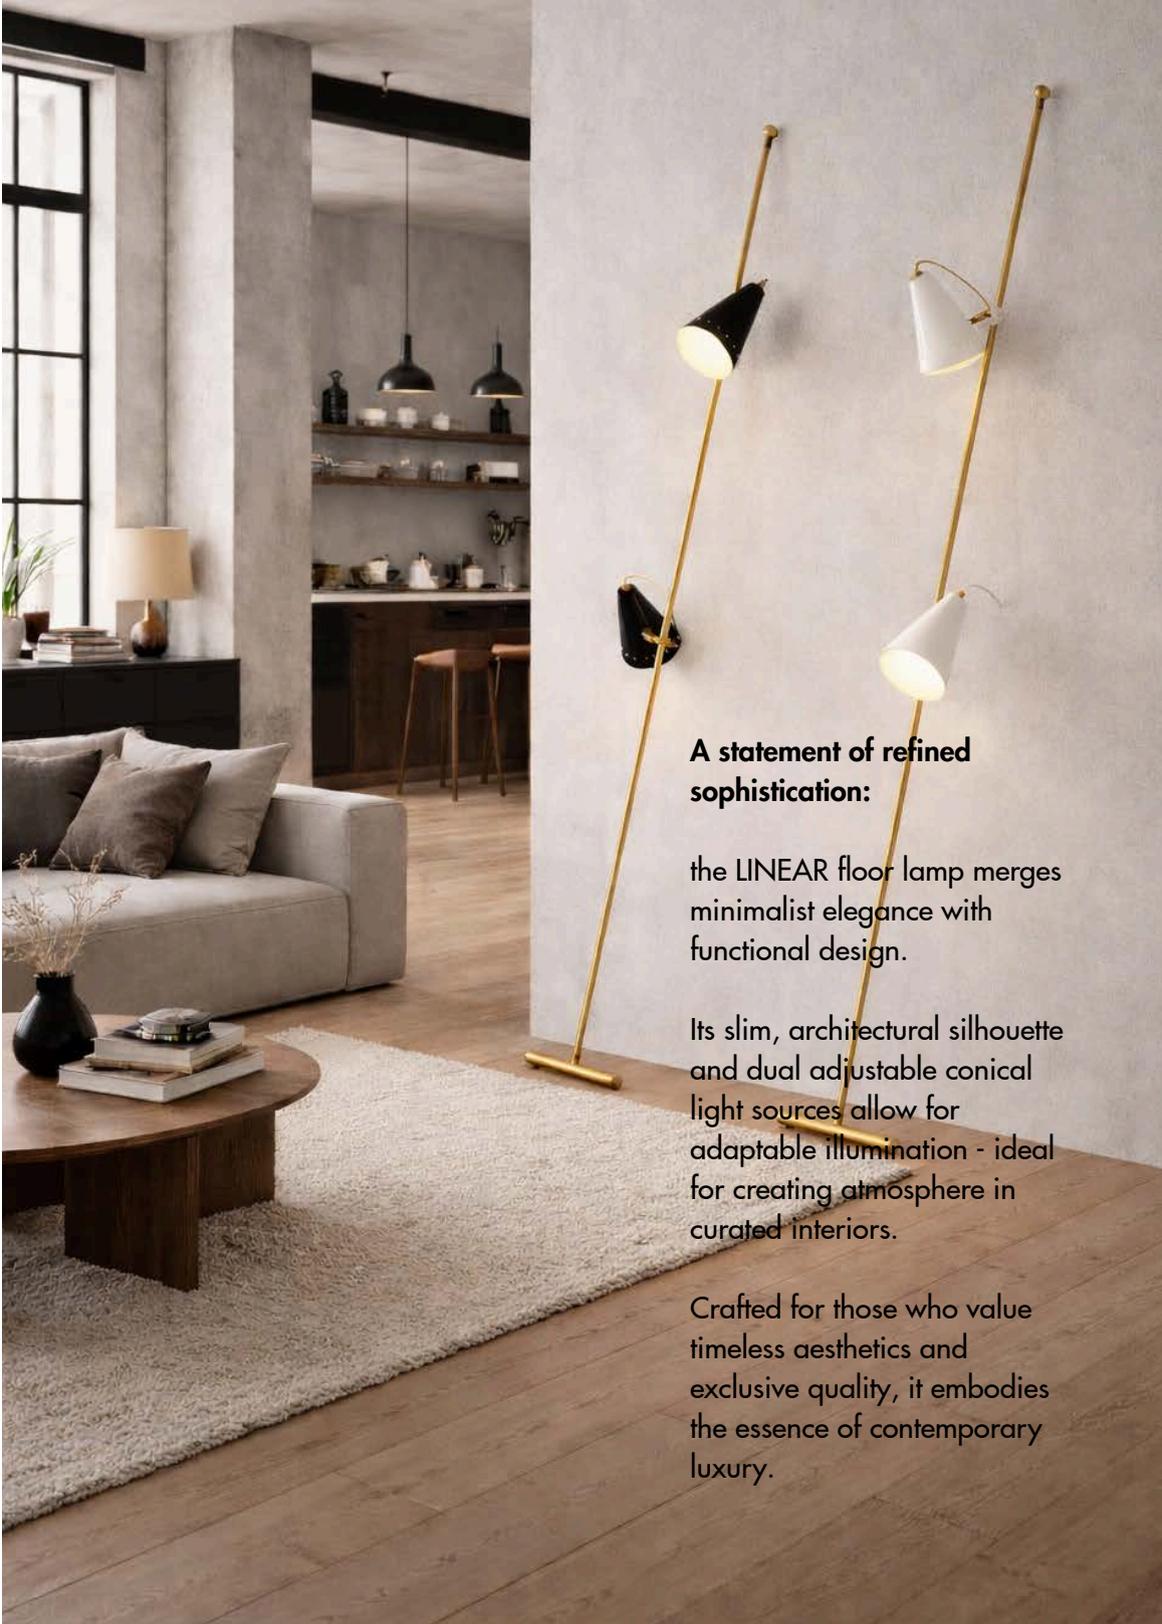

A tribute to the golden age of design, the DISCOVERY is more than just a floor lamp – it is a statement piece. With its refined brass finish and six vividly colored, cone-shaped shades, this lighting sculpture brings the bold spirit of the 1960s into contemporary spaces.

Each shade is adjustable, allowing the creation of dynamic lighting scenarios that adapt effortlessly to both residential and commercial interiors.

The solid marble base anchors the design with a sense of sophistication, offering both stability and timeless elegance. Ideal for curated environments where design tells a story – from boutique hotels to luxury offices – the DISCOVERY transforms any setting into an atmosphere of cultivated nostalgia.

linear

10.0010

A statement of refined sophistication:

the LINEAR floor lamp merges minimalist elegance with functional design.

Its slim, architectural silhouette and dual adjustable conical light sources allow for adaptable illumination - ideal for creating atmosphere in curated interiors.

Crafted for those who value timeless aesthetics and exclusive quality, it embodies the essence of contemporary luxury.

PERFECT BALANCE
OF MINIMALIST
STYLE
AND EXTRAORDINARY
ATMOSPHERE.

Whether in a boutique hotel, executive office, or private residence, LINEAR adds a discreet yet powerful design accent.

UNMATCHED ELEGANCE LIMITLESS BRILLIANCE

Its sculptural silhouette integrates effortlessly into both contemporary and classic settings, while two or three adjustable double light diffusers - available in a curated palette of soft pastels or bold hues - offer a distinctive and dynamic lighting experience.

The solid marble base ensures stability and adds a timeless sense of luxury, making MOONLIGHT STANDING a striking piece for those who value exclusivity, aesthetics, and function.

More than just a lamp, MOONLIGHT STANDING is a design statement that brings refined sophistication and tailored illumination to any high-end interior.

diablo floor

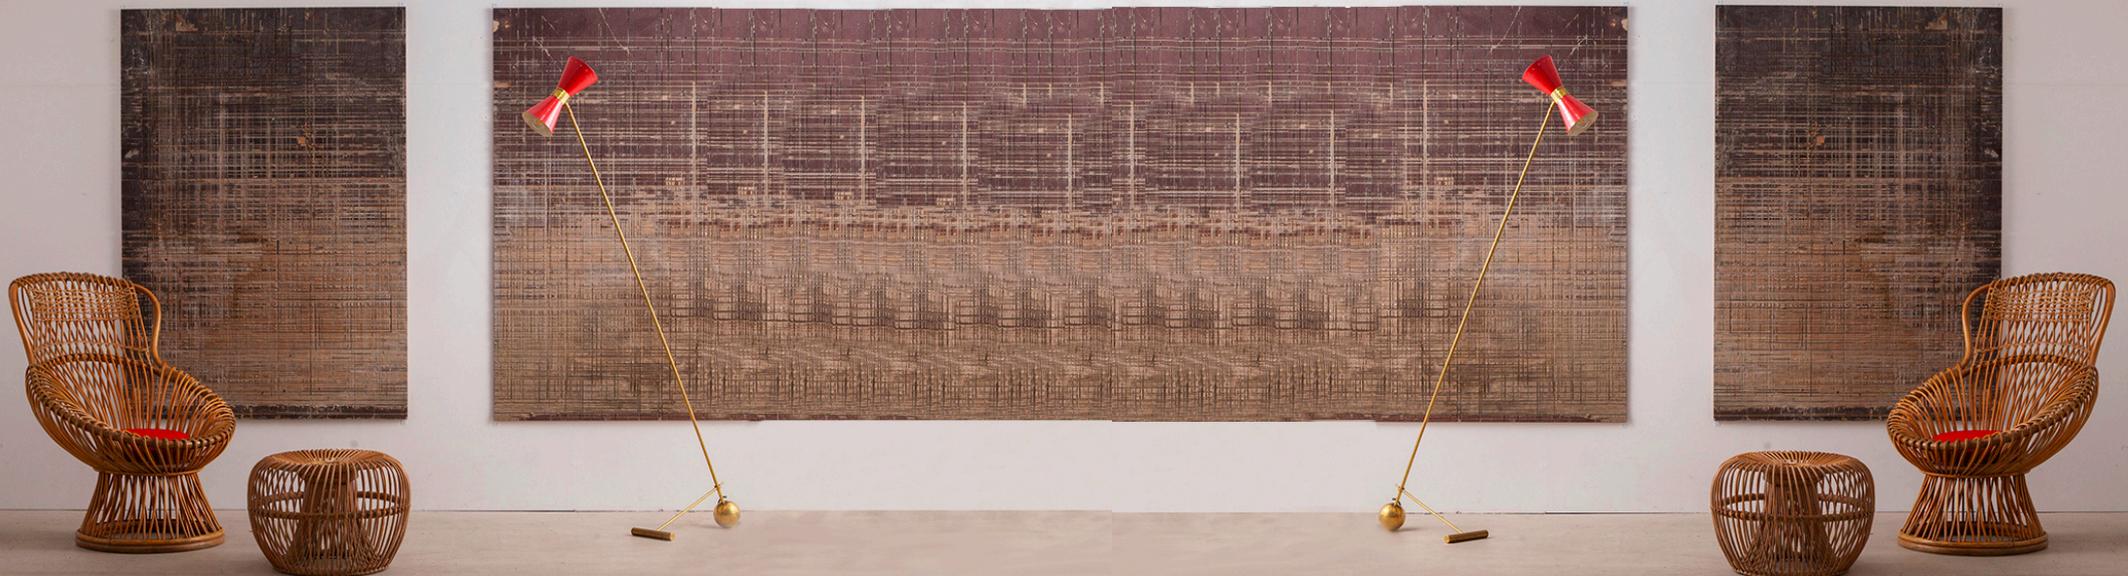

10.0014

LIGHT UP WITH STYLE: EFFORTLESS ELEGANCE

The DIABLO floor lamp is a statement of minimalist design, where every line is intentional and every detail essential. Crafted for discerning interiors, it features an adjustable double light diffuser that allows full control over ambience and light direction - perfect for creating sophisticated atmospheres in luxury spaces. Ideal for those who value purity of form and maximum versatility.

FLOOR LAMPS

Hommage to the 60s.

Crafted for those who value design as identity - be it interior designers, hoteliers, or luxury connoisseurs - TRILOGY is more than lighting: it's a curatorial piece that bridges past and present with timeless allure.

Rediscover the refined spirit of the 1960s with this retro-chic lighting piece. Merging vintage allure with contemporary craftsmanship, it casts a soft, sophisticated glow - ideal for exclusive interiors that demand distinction.

TIMELESS ELEGANCE FOR EXCLUSIVE SPACES

CRYSTAL FLOOR is more than a floor lamp – it's a statement piece for refined interiors. Seamlessly blending vintage charm with timeless design, it captivates with its sculptural elegance and premium craftsmanship.

The brushed brass structure exudes quiet sophistication, while the three opaline glass spheres, framed by metallic rings, diffuse a warm, enveloping light – ideal for creating an intimate, luxurious atmosphere. The solid marble base adds not only visual weight and stability but also a distinctive sense of prestige.

Perfect for high-end hospitality venues, stylish executive offices, or curated private spaces, CRYSTAL FLOOR speaks to those who appreciate iconic design, artisanal quality, and the power of ambiance.

WHERE LIGHT MEETS ELEGANCE

FLOOR LAMPS

**A sculptural floor lamp in warm brass,
designed to elevate refined interiors
with timeless sophistication.**

The dual circular light sources cast a soft, enveloping glow that enhances the ambiance of any space. Designed for those who value both form and function, this exclusive piece is ideal for curated environments where design speaks of identity and taste.

Crafted in a warm brass finish, the CRYSTAL LINEAR floor lamp blends timeless elegance with refined luxury.

Its minimalist silhouette and slender profile exude sophistication, making it a statement piece in both contemporary and classic interiors.

Designed for discerning interiors, CHARLESTON CRYSTAL enhances hotel lobbies, boutique spaces, exclusive showrooms, and high-end residential projects with both light and personality.

Make a bold style statement with CHARLESTON CRYSTAL – a lamp that masterfully blends traditional Murano glass with a sleek, modern design aesthetic.

Three white Murano glass spheres, paired with a matte black structure made of high-quality, non-toxic brass, create a seamless fusion of light, form, and function.

plane ufo

CRAFTED TO SHINE
**DESIGNED
TO INSPIRE**

FLOOR LAMPS

A sculpture of light that furnishes even when turned off.

This floor lamp combines contemporary elegance with artistic character: three adjustable diffusers shaped like stylized flowers spread a warm, enveloping light, adding atmosphere and depth to the space. Refined finishes and bold colors engage in dialogue with a lightweight yet dramatic design, transforming the living area into a sophisticated and personal environment.

Perfect for those seeking not just illumination, but a true focal point of style.

Elegant and sculptural, this adjustable floor lamp blends contemporary design with an industrial soul.

Its slim, articulated structure creates a refined play of balance, bringing warm light and character to any interior.

Perfect for those seeking functional lighting that becomes a true focal point of the space.

An iconic presence that lights up the space.

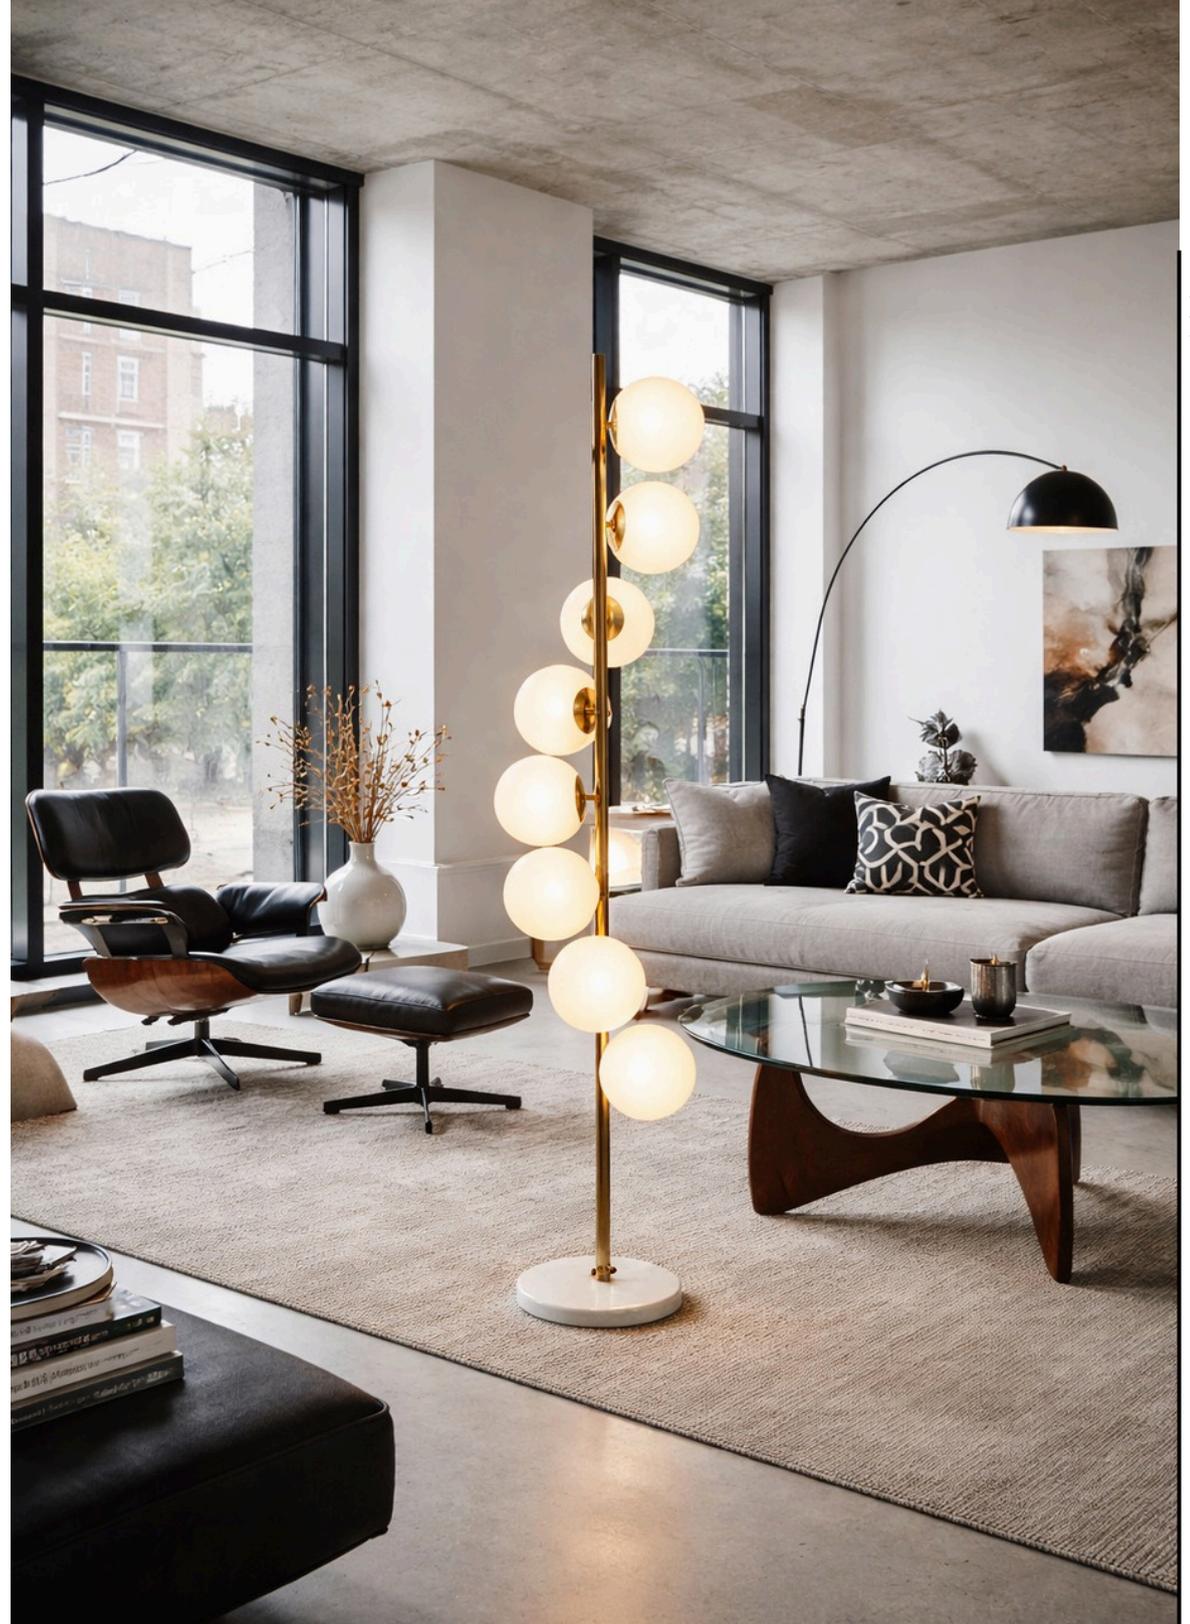

This floor lamp blends graphic elegance with contemporary character: a slim, minimalist structure supports a shade in a warm, bold color, creating an enveloping and scenic light point. It is a detail that captures the eye, enhances the room, and expresses a confident, sophisticated, and timeless style.

Ideal for those looking for functional lighting that can also inspire emotion and furnish with personality.

A sculpture of light that transforms the space.

This floor lamp, featuring eight Murano glass elements, diffuses a warm, enveloping glow, creating atmosphere with timeless elegance. The luminous spheres—light, precious, and refined—interact with brass in a perfect balance between artistic craftsmanship and contemporary design.

An iconic piece, designed for those who want lighting with character, making every space sophisticated, welcoming, and simply unforgettable.

LUCI Vintage Table Lamps - Timeless Elegance, Reimagined.

LUCI reinterprets the golden age of Italian design with a refined collection of vintage-inspired table lamps.

Drawing on the iconic aesthetics of the 1960s and 1970s, each piece is handcrafted to evoke a sense of nostalgia while maintaining contemporary sophistication.

Designed for discerning professionals, visionary hoteliers, and lovers of unique interiors, these lamps are more than just lighting—they are design statements that elevate any space with a touch of retro charm and unmistakable Italian flair.

speaker lamp

20.0010

A bold statement of refined design and precision lighting, the SPEAKER table lamp is crafted for those who demand both performance and elegance.

Featuring a flexible arm and adjustable head for targeted illumination, it ensures optimal functionality without compromising on style. The solid marble base conveys timeless luxury and impeccable taste, making it an exceptional addition to sophisticated interiors - be it a curated workspace, boutique hotel suite, or exclusive residence.

thunderball lamp

20.0011

An iconic lighting piece that embodies both sophistication and innovation.

The THUNDERBALL BALANCER captivates with its sculptural clarity and harmonious proportions, delivering ambient light with perfect equilibrium. Ideal for curated interiors - from refined residences to boutique hospitality spaces - it is more than lighting: it's a statement of style, craftsmanship, and timeless elegance. For those who seek the exceptional.

big thunderball lamp

COMBINES
EXTRAVAGANCE
WITH
FUNCTIONALITY

Its pure lines and sculptural balance radiate understated elegance. Designed to provide optimal lighting for any setting, it's more than a light - it's a symbol of refinement. A tribute to exceptional craftsmanship, tailored for those who demand excellence.

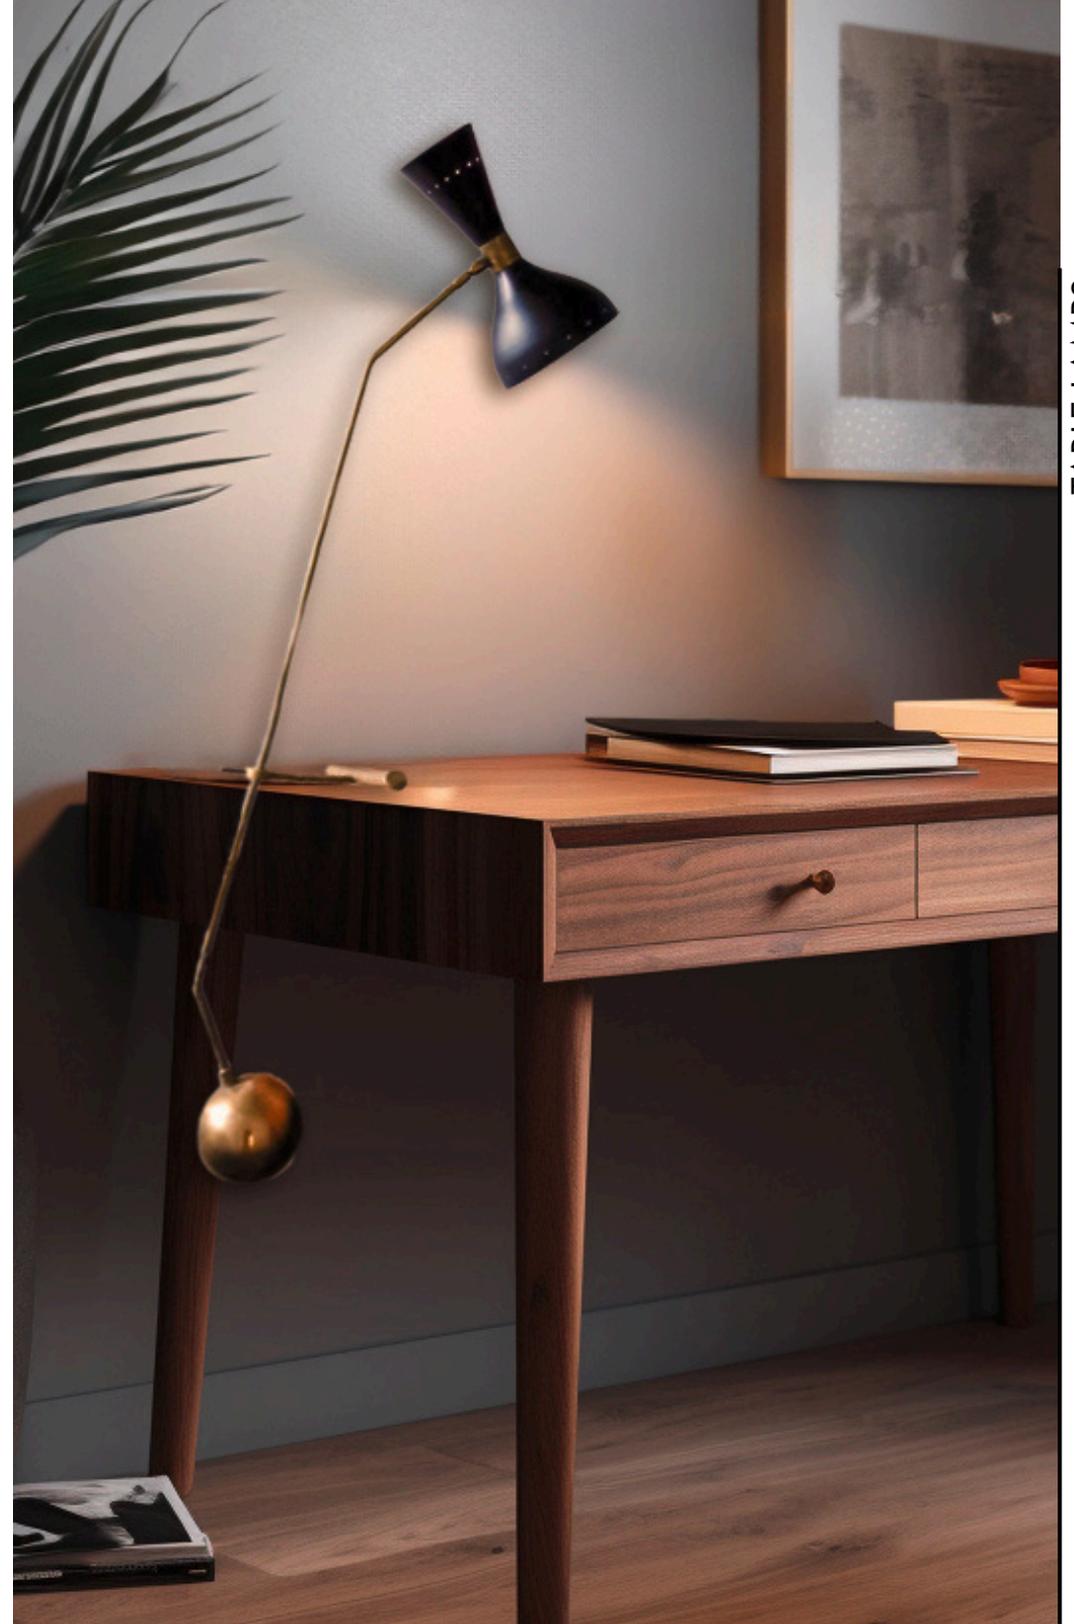

TABLE LAMPS

crystal table lamp brass

20.0013

With a nod to vintage aesthetics reinterpreted for the contemporary connoisseur, this lamp is more than lighting - it's a design object that speaks of taste, exclusivity, and quiet prestige.

A refined statement of elegance, the CRYSTAL TABLE LAMP is where timeless design meets functional sophistication. Its brushed brass structure, paired with a luminous opaline glass globe, offers warm, ambient lighting - ideal for intimate corners, executive desks, or stylish bedside tables. The solid marble base not only ensures stability but adds a luxurious, tactile presence.

DESIGN IN BALANCE LIGHT THAT SPEAKS ARCHITECTURE

Minimalism with maximum impact: CRYSTAL THUNDERBALL is far more than a lighting fixture – it is a visual signature that enhances spaces, defines character, and fuses timeless design with technical precision.

This modern edition of our iconic THUNDERBALL series introduces a new design language into projects that demand clarity, sophistication, and presence.

A glowing Murano glass sphere seemingly floats within a perfectly balanced structure of powder-coated black brass – completed by a solid brass counterweight that ensures visual and structural harmony. CRYSTAL THUNDERBALL embodies the subtle drama that makes high-end interior concepts truly unforgettable.

AN EXTRAORDINARY
BLEND OF
CREATIVE DESIGN
AND SOPHISTICATION

Whether enhancing a private residence, boutique hotel, or executive office, it offers warm illumination and timeless allure, capturing the essence of contemporary prestige.

An icon of refined elegance, the DISCOVERY LAMP blends sculptural design with exquisite craftsmanship.

Its harmonious silhouette and luxurious materials make it more than a lighting object - it's a statement piece for sophisticated interiors.

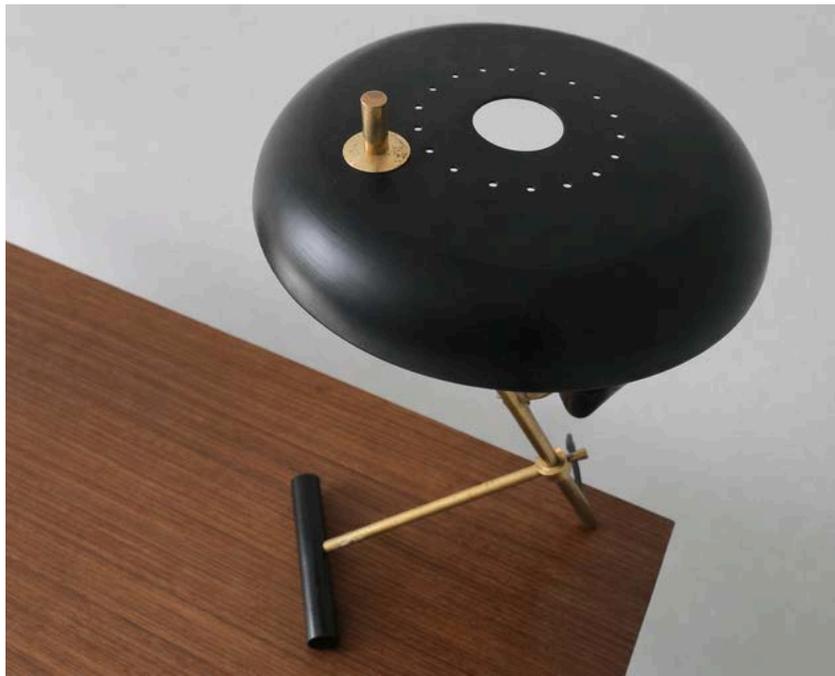

STYLE WITH A HINT OF SOPHISTICATION

Elegant yet bold, the ENTERPRISE LAMP is a true icon for refined interiors. Its retro-inspired silhouette - enhanced by two contrasting lampshades - blends sculptural design with practical functionality.

Ideal for reading corners, private lounges, or executive desks, this table lamp offers dual light sources to create both focus and ambiance.

Timeless Sophistication.

Crafted from premium materials, it guarantees durability while exuding a quiet luxury.

More than just a light source, the ENTERPRISE is a signature piece that reflects distinction, design culture, and timeless elegance.

RETRO ALLURE AND TIMELESS STYLE

MOONLIGHT is not merely a lamp - it is a refined design piece that embodies understated luxury and artistic precision. With its sleek silhouette and masterfully crafted materials, it enriches any interior - from the elegant office of a discerning entrepreneur to the intimate ambiance of a boutique hotel suite.

Its compact proportions make it ideal for desks, consoles, or bedside tables, while its sculptural presence elevates the atmosphere with effortless grace.

MOONLIGHT seamlessly blends aesthetic purity with functionality, becoming a quiet icon in sophisticated environments.

The Essence Of Timeless Elegance.

THE DESIGN LIGHT THAT
SIGNS A SPACE

CRYSTAL ZIGO is far more than a desk lamp — it's a luminous signature for sophisticated interior concepts. Handcrafted in Italy, it merges iconic design with cutting-edge lighting technology and an uncompromising commitment to sustainability. Perfect for clients who want to stage not just light, but a statement. Make your mark with light.

CRYSTAL ZIGO is not just illumination — it's an invitation to design spaces with intention.

Ideal for:

- Architectural Studios
- Design Hotels
- Premium Office Concepts
- Showrooms
- Interior Contractors
- High-End Co-Working Spaces

bilanciere moonlight

20.0007

Elegant table lamp with an essential, contemporary design. The black metal structure with refined brass details pairs with a solid white marble base, creating a perfect balance of style and quality.

Nostalgic Design.

Classic elegance and luxury with the Square Crystal Chandelier!

With its modern and linear design, this stunning pendant lamp seamlessly blends into any setting. Made from high-quality brass, it not only provides a durable construction but also a timeless aesthetic.

The centerpiece of the SQUARE CRYSTAL CHANDELIER is its glass spheres, which double as design elements and create a captivating play of light, enveloping every room in a charming ambiance.

**ELEGANCE
AND MODERN
DESIGN**

Retro Modern Decor.

The Bubble Chandelier - a masterpiece of lighting that combines modern design with timeless elegance.

This pendant light is not just a source of light, but a statement of style and sophistication.

Crafted with the highest craftsmanship, the BUBBLE CHANDELIER stands out for its high-quality workmanship. Each of the 12 glass spheres is an artistic element in itself, together they create not only a breathtaking aesthetic but also ensure a harmonious distribution of light.

Versatile and suitable for various settings, this chandelier is perfect for living rooms, dining rooms, restaurants, hotel lobbies, and commercial spaces.

A minimalist and bold take on modern design.

crystal tube

40.0111

Ideal for lighting up spaces with high ceilings, such as open areas, staircases, or entrances, CRYSTAL TUBE turns light into an architectural feature, adding character and style to any setting. It's a design choice for those who seek uncompromised elegance.

The CRYSTAL TUBE pendant light stands out with its sleek black metal frame, supporting a series of five frosted glass globes accented by bold semicircular details. The vertical arrangement of these elements gives it a sense of airiness and motion, making it perfect for modern and sophisticated spaces.

A MINIMALIST AND BOLD TAKE ON MODERN DESIGN

MINIMALISM MEETS BOLD ELEGANCE

Sleek and sophisticated, the ATOLLO pendant lamp blends minimalist design with bold character.

Two frosted glass spheres, framed by matte black metal semicircles, create a perfectly balanced play of contrasts and proportions.

Perfect for modern and sophisticated spaces, ATOLLO is designed to enhance living areas, dining rooms, or work environments with warm, diffused light. Its sleek and adaptable design makes it a timeless choice for those seeking functional elegance and a distinctive style.

Each piece is crafted with the artisanal care that defines LUCI.

With a design that blends simplicity and energy, the ATOLLO-2 pendant light represents the ideal balance between form and function.

The three frosted glass spheres, wrapped in matte black metal semicircles, are arranged in a vertical geometry that creates depth and visual movement.

SUBTLE BEAUTY FOR SOPHISTICATED SPACES

This arrangement offers a soft and even light, perfect for enhancing contemporary spaces with character and style. Ideal for living rooms, dining areas, or professional environments, ATOLLO-2 adds a touch of modern elegance with the handcrafted quality that LUCI is known for.

A design choice that illuminates and decorates with refinement.

A Statement of Sculptural Elegance.

The ATOLLO-3 pendant lamp embodies refined aesthetics and architectural balance, crafted for professionals and connoisseurs who seek lighting as a form of expression.

Three satin glass spheres are suspended in perfect symmetry, embraced by matte black semi-circular metal elements that create a bold yet harmonious interplay of light and shadow.
